

Publishing Insect Fact Sheets

For WordPress Users

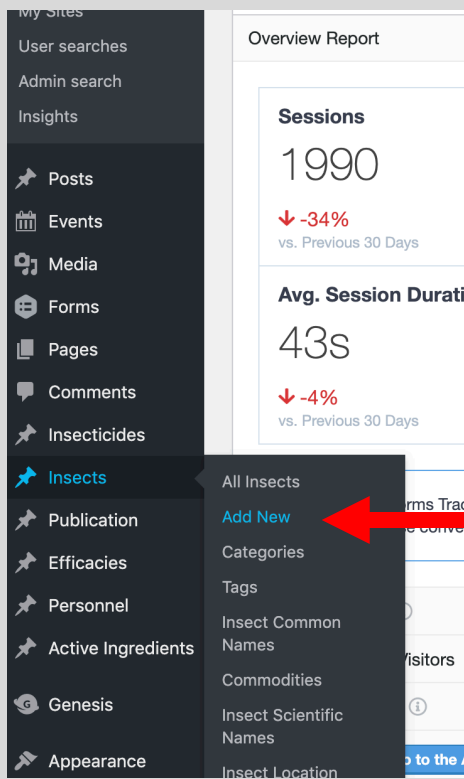

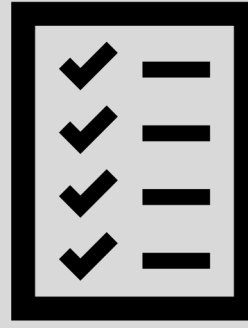

Add your name under "Assigned Author" for a specified organism
OR

Add the organism to the list if it doesn't exist!

Double-check the
["Full Insect List"](#)
to ensure no one else already published your factsheet!

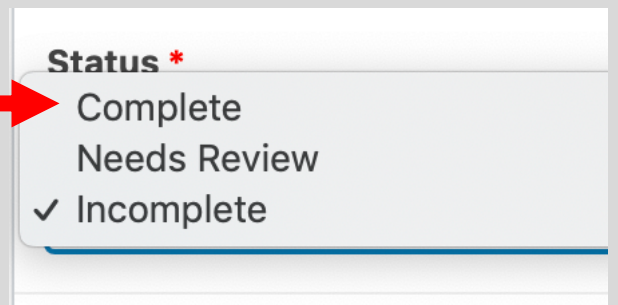

Scroll over "Insects" and select "Add New".

Follow instructions from
["Insect Post Completion Checklist"](#)

Ensure fact sheet has been reviewed (by at least one peer) prior to marking status as "Complete".

Address any technical questions to rlwilliams32@tamu.edu and erfan.vafaie@ag.tamu.edu

Add editor names and update status to "Complete" for your insect in the
["Insect List"](#)

Congratulations!
Celebrate with a much-deserved dance and cake.
